

## THE MEDIA COLLECTIVE

# We need a designer. It might be you.

### Outline

The role will involve developing creative design and print solutions as well as working as part of the team on larger branding and print collateral projects. You will be expected to work from a brief with minimal supervision, but will also to communicate quickly and clearly with a member of the team when clarification at any level is required.

The successful applicant will be able to work with the Adobe Creative Suite to a good level. Knowledge of working with Macs will be advantageous but not essential.

What will be essential is a good eye for detail and a demonstration of good creative thinking across a range of media. Good time keeping and time management will also be required of course. As the role will involve dealing directly with clients as well as discussing your designs as part of a group the right person will have impressed us with good presentation and communication skills.

### Hours

This is a full time role requiring 40 hours per week.

### Salary

This will all depending on experience, raw talent and various other factors. Our policy is to always create a good deal for you though so the successful applicant will be happy with the final package.

### Location

The Media Collective is currently based in Nuneaton, Warks and the job may require you to work at our current office for a short time. We are in the process of developing a new studio in Coleshill, Warks which is where the role will then be based.

### Want to apply?
